

## Teach girls the following Safety Guidelines for selling Girl Scout Cookies:

### Show You're a Girl Scout

Wear the Girl Scout membership pin and/or Girl Scout clothing to identify yourself as a Girl Scout.

### Buddy Up

Always use the buddy system. It's not just safe, it's more fun.

### Be Street Wise

Become familiar with the areas and neighborhoods where you will be selling Girl Scout Cookies.

### Partner with Adults

Adults must accompany Girl Scout Daisies, Brownies and Juniors when they are taking orders, selling or delivering product. Girls who are Cadettes and older must be supervised by an adult and should never sell alone. Adults should be present at a cookie booth in any public place at all times.

### Plan Ahead

Always have a plan for safeguarding money, and avoid walking around with large amounts of it, or keeping it at home or school. Give proceeds to supervising adults, who should deposit it as directed by your Girl Scout council as soon as possible.

### Do Not Enter

Never enter the home or vehicle of a person when you are selling or making deliveries. Avoid selling to people in vehicles or going into alleys.

### Sell in the Daytime

Use the phone and email to sell when it's dark outside. Save door-to-door sales for daylight hours.

### Protect Privacy

Girls' names, addresses, or email addresses should never be given out to customers. Use a group contact number or address overseen by an adult for customers to request information, reorder or give comments. Protect customer privacy by not sharing their information except for the product sale. Girls should never take credit card numbers.

### Be Safe on the Road

Always follow safe pedestrian practices, especially when crossing at intersections or walking along roadways. Be aware of traffic when unloading product and passengers from vehicles.

### Be Net Wise

Take the GSUSA Internet Safety Pledge before going online and follow the specific guidelines related to marketing online. Girl Scouts cannot collect money online.
