Parent/Guardian Permission

My daughter, _____, has permission to attend Jessie Bloom Resident Camp and to participate in all phases of the program. I understand she can attend only if free of any potential health problems that might restrict participation at the event (except as noted on the health form by me and/or a physician) and is free of any communicable diseases that might endanger other participants. In the event that I cannot be reached in an emergency, I hereby give permission for emergency care to be given. This authorization applies whether the charges are covered by Girl Scout insurance or by me. I give this authorization with the knowledge that Girl Scout health insurance is secondary and does not provide coverage for every incident. I give the Farthest North Girl Scout Council permission to use any pictures of my daughter for publicity and promotion of Girl Scouting.
