### Packing tips:

- Synthetic or wool materials dry faster and keep you warmer.
- Keep extra socks in a Ziploc bag; if it rains, you'll have a dry pair!
- Although it's May, it can get cold, rain and be hot; be prepared for all kinds of weather!
- Loose fitting clothes will help you move around more easily.
- The items on this list are NOT optional, they are required.
- Don't buy new, borrow what you can.
- Old clothes are great for camping; we're going to get dirty!
- Label EVERYTHING!
