

What is Leader Appreciation Day?

Girl Scouts exists only because of the hard work of our dedicated leaders. The entire Girl Scout movement is based on the people who make time to give back to girls. Every year our Council along with Councils around the country celebrate these amazing people in the month of April: Volunteer Appreciation Month. This month includes Volunteer Appreciation Week and Volunteer Appreciation Day. Some Councils call it Girl Scout Leader Day, but our Council recognizes this special day as Leader Appreciation Day.

How do we celebrate Leader Appreciation Day at the Farthest North Council?

Every year we honor the amazing volunteers who donate their time with our Council by hosting a special luncheon—our annual Leader Appreciation Lunch. This lunch always takes place on the Wednesday of Leader Appreciation Week, in mid-April. The Leader Appreciation Lunch always includes a delicious lunch, a fun craft and a special thank you gift for every one of our leaders.

What are Adult Recognitions?

Even adults can earn awards! Adult Recognitions are one of the ways to acknowledge our volunteers who go above and beyond the role of volunteer. If you know an adult volunteer who always gives 110% and has been a volunteer for at least 1 full year, think about nominating them for an Adult Recognition. Consult our Council's Annual Calendar to find out when the Adult Recognition applications are due and to learn the date of this year's Annual Meeting. Find the Council Annual Calendar in our office or on our website at: fairbanksgirlscouts.org/newsletter.
