

# Your Daisy Petals and Leaves

## How to Grow Your Daisy Flower

**Y**ou can earn 10 petals to make your Daisy Flower. You can earn four leaves, too! To earn a petal or a leaf, you'll do three fun activities.

# Petals

Every Flower Friend tells a story about her line of the Girl Scout Law.

**STEPS:** On the first page of the story, you'll find the three steps to follow to earn your petal.

To earn your Lupe petal, do these three things.

1.

Enjoy "Lupe's Story," then talk about it

2.

Act out the story with your Daisy Friends—each girl can take a different part

3.

Practice being honest and fair

Lupe's Story

## A Fair Turn in the Flower Garden

It was a cool, breezy day in the Daisy Flower Garden. The Flower Friends were ready to have some fun.

"I have an idea," Lupe the Lupine told the rest of the Flower Friends. "Let's play a game of tag!"

"I'd like to jump rope," Gerri said.

"Or maybe we could swing or go on the slide," Clover said.

"How about playing hopscotch?" Tula asked. "I think that would be the most fun."

## Congratulations!

You have earned your Lupe petal. Now when you say the Girl Scout Law, you'll know exactly what that line means. Wear the petal on your tunic to remind you to always be as honest and fair as you can be.

Gather together with your Daisy friends and say the first line of the Law (Lupe's line). Keep adding lines as you earn more petals!

**STORY:** The first step is always to enjoy the story! After you've done that, find out how to do the rest of the steps on the last pages of the booklet.

**LAW:** When you've finished the steps, say the lines of the Girl Scout Law with your Daisy friends!

Take your trusted adult with you whenever you talk to new people during your Daisy activities! Never talk to a stranger by yourself.

Do all your activities with a trusted adult, like your Girl Scout volunteer or a family member.

## Safety Tips

Talk about these important tips before you start earning petals and leaves.

# Leaves

You can earn two leaves each year you're a Daisy. There are two kinds of leaves: Financial Literacy leaves and Cookie Business leaves.

"Financial Literacy" is a way of saying you'll learn about money. Each Cookie Business leaf shows you how to put the skill you learned in your Financial Literacy leaf into action during the cookie sale.

**STEPS:** Do all three steps to earn the leaf.

**PURPOSE:** This sentence tells what you'll have learned when you earn the leaf.

**ADD THE LEAF TO YOUR JOURNEYS:** In this box, you'll find an idea for how you can tie what you learn while earning a leaf to the fun you're having on your Journeys!

And be careful with anything sharp—like scissors for crafts!

If you and a trusted adult want to go online, sign the **Internet Safety pledge** on the next page before you start.

**Add the Leaf to Your Journeys**  
You and your Daisy Friends may want to buy snacks as you go on your Journey. Use your new money skills to count out the coins or bills!

Now that I've earned this leaf, I can give service by:

- Coming up with ideas for how to have fun with my family for free
- Helping my friends make change
- Talking with my Daisy Friends about how we can budget some money to help others

I'm inspired to:

**SERVICE:** These are the three ideas for how to give service with your new skill. They are NOT required.

**BE INSPIRED:** You can draw or write what you're inspired to do here!

- I will not use the Internet to collect money for Girl Scout products, and I will follow all safety guidelines related to Girl Scout product sales.
- I will practice online "netiquette" (good manners) at all times when online.
  - I won't spam others.
  - I will not bully nor will I tolerate bullying (and I will always tell a trusted adult if this is a problem).
