

# How to Keep Girl Scouting During School Closures With No Troop Meetings

Here are some ways to keep up as a troop when you can't meet in person.

## Things To Do As a Troop

Email, text or post in your private troop Facebook page about things to do each week as a troop, such as:

- \* Agree to watch the same movie
- \* Agree to read the same book
- \* Do the same YouTube yoga class
- \* Suggest different ways to do the same craft
- \* Work on an Earth Day fun patch by encouraging girls to research ways that can be more mindful about the environment at home
- \* Earn a Cooking fun patch by encouraging the girls to help make a meal for their family

## Things To Do As Individuals

Email, text or post in your private troop Facebook page about things to do each week as individual Girl Scouts, such as:

- \* Earn a badge with your family
- \* Earn fun patches with your family (for fun patch ideas, visit: [advantageemblem.com](http://advantageemblem.com).  
*You can even browse and order your patches directly through Advantage!*)
- \* Find ways to put the Girl Scout Law into action at home and share with the troop
- \* Find a "Family Service Project" in place of community service project

We have loaded the Girl Guides and badge requirements for every grade-level in Girl Scouts on our website for our troops to use while they can't meet in person. Find all the badge requirements at [fairbanksgirlscouts.org](http://fairbanksgirlscouts.org)!

Also, GSUSA is currently offering free shipping on items ordered online from their shop at [girlscoutshop.com](http://girlscoutshop.com)!
