

Welcome to the 2020 Nut & Candy Sale

Girl Permission Form

My Girl Scout _____ (enter girl's name),
a registered Girl Scout member of Troop _____, has my permission to participate in the 2020 Fall Product
Sale Program. In so doing, I agree to accept financial responsibility for all products and money she receives.

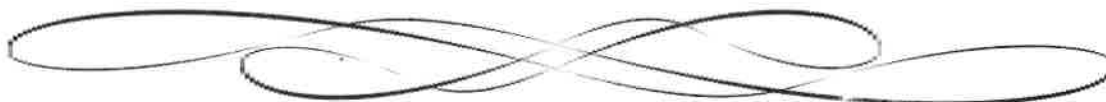

I will see that she does not sell prior to the official starting date of September 19, 2020, that payment for all product received will be made to the troop leader no later than November 23, 2020, and that she has adult guidance at all times. To that end, I will review the safety guidelines with my Girl Scout for contacting customers, taking orders, and selling and delivering nuts/candy; including the latest online guidelines from GSUSA. I agree to the social media policies to only use closed technology such as email and private Facebooking for my Girl Scout's sales and will not use Craigslist, military sales sites, or other public means available to my daughter. I understand that specific information will be given to me about each activity, through the troop adult in charge, to my contact information below.

The Girl Scout Fall Product Sales Program is important to girls, their troops, and to Girl Scout Councils. The sale provides troop financial resources to support troop activities such as: Girl Scouting events, various trips (near and far), camping, and community service projects. For councils, the sale provides resources to: organize Girl Scout troops, recruit and train adult volunteers, and provide council-wide programs related to the essential development of girls' 5 Basic Skills (goal setting, decision-making, money management, people skills, and business ethics). Most importantly, it allows the council to provides financial assistance so that all girls have access to the opportunities Girl Scouting offers.

Thank you in advance for your support!
